## Media Center Mission Statement

The mission of Central High School Media Center is to provide materials to students and staff, and to educate them in how to access and use this information, in turn building literacy skills which contribute to lifelong learning.

# Central High School Media Center

## Media Center Goals

- To assist in locating the best materials for their needs.
- To supply appropriate resources to make learning successful
- To provide a diverse selection of reading materials to suit students abilities and interests
- To encourage students to read and become lifelong readers
- To assist in the building of information and technology literacy skills necessary for future success
